

NW Children's Foundation Golf Sponsorship Opportunities

September 13, 2019 | The Golf Course at Redmond Ridge

NW Children's Foundation is the go-to organization in our community to invest in children and families. When you sponsor the NW Children's Foundation Golf Classic, you become a partner in our work to end the cycle of child abuse and neglect, changing the lives of vulnerable children and building a better future for all of us.

Your partnership with NW Children's Foundation offers valuable visibility for your business, with marketing exposure through our publications, website, e-mail communications and on social media. You will also be featured at the event, where other community-minded professionals will recognize your business as one that cares about our community's children and families.

In addition to the chance to play in the tournament, golf sponsors will receive multiple opportunities for recognition. To learn more, please contact NW Children's Foundation at 206-407-2165 or email sponsorships@nwcf.org.
