Presents our **2021 Forum**

Racialized Trauma and Child Well-Being: Powerful Insights and Practical Tools for Healing

We invite you to join us as a key partner in the 2021 NWCF Forum – *Racialized Trauma and Child Well-Being: Powerful Insights and Practical Tools for Healing* – taking place virtually on Thursday, February 4. We are excited to feature a keynote by trauma specialist and *New York Times* best-selling author Resmaa Menakem. Mr. Menakem is a highly sought-after presenter on racialized trauma and somatic healing methods.

The Forum is a unique opportunity to engage with an important and timely topic, and to be recognized by an extensive network of community leaders, child-welfare experts, influential nonprofits and policymakers. This year's event will be held virtually, which will expand our potential audience well beyond the more than 1150 participants at our last Forum in February of 2020.
